Estimate Close To 5500 Will Turn Out At Polls

Approximately 5500 Daly City voters are expected to go to the polls next Tuesday to name two councilmen, a city clerk and a treasurer to serve four year terms.

A record total of 10,937 persons are eligible to vote at the municipal election, but turnout has rarely been more than 50 per cent in previous elections. In 1954, out of 10,548 persons registered, 4535 cast ballots, or 43 per cent.

Seven candidates will vie for the two council positions open. They include Incumbents Edward J. Dennis, union official, and Joseph Verducci, San Francisco State college athletic director; Peter J. Becker, electrician; Sam Grado, plumber; Paul Hupf, attorney; Joseph Lewkowitz, service station proprietor, and Harry Ross, auctioneer.

Final platforms of candidates for council and city treasurer may be found on page 7 of this week's paper.

This concludes THE RECORDS' series on the local political scene, published in order to inform the voters of the candidates' qualifications and purposes.

All are running as independents with the exception of Ross and Becker, who have formed a team.

Incumbent Paul Selmi will contest with Housewife Jane Keith for the city treasurer position, recently changed from a part to full-time job at a salary of $400 per month.

Evelyn Mosman, a deputy clerk, is unopposed for the city clerk position being vacated by B. C. Ross, a veteran of 33 years in that office and 40 years as a public servant in Daly City.

THE RECORD in cooperation with Battye-Panella Insurance company will relay results of Tuesday's city election for the convenience of voters.

Persons wishing to phone for information may call THE RECORD until 10 p.m. Phone numbers are PLaza 5-4321, PLaza 5-4322 and PLaza 5-8543.

Other residents wishing to inquire in person may go to the Battye-Panella office, 6253 Mission street, where election results will be tabulated as precints report in. Free parking will be available at the nearby Crocker Cleaners, 6215 Mission street.

The 36 polling places will be open from 7 a.m. to 8 p.m.

Rides to the polls and baby-sitters are being provided by many of the candidates' committees.

Polling places are as fol-

Formosa Jet Crash Kills Colma Pilot

A 25-year-old jet pilot, son of pioneer Colma parents, was killed on March 22 in Formosa when his plane collided with another jet in mid-air only five minutes after take-off.

Word of the death of their son, First Lieutenant Raymond Settrini, from his commanding officer reached Mr. and Mrs. Anthony Settrini this week.

RAYMOND SETTRINI
. . . Killed In Jet Crash

According to the letter from the commanding officer, Settrini's plane and another jet crashed in mid-air. Both pilots were killed instantly. The letter highly commended Settrini's valor since the youth was assigned to the 310th fighter bomber squadron, 58th

70-Year-Old DC Man Lies Helpless Without Food For Four Days

A 70-year-old Daly City man, who told police he had not eaten for four days, was found Saturday lying helpless on the bed of his room.

Officers were called to the residence of Steven Anastasi, 6139 A Mission street, by two of the man's friends who had not seen him for several days. On entering the room, officers said they found Anastasi unconscious.

He was given emergency treatment at Junipero Serra hospital and later transferred to Community hospital where attendants today reported him in satisfactory condition.

SNELL PTA PLANS QUESTIONS FOR JESD BOARD MEET

Questions to be asked the Jefferson elementary school district board of trustees at Wednesday's meeting were released today by Larry Freiberg, chairman of the James L. Snell PTA committee for the elimination of double sessions.

At the invitation of Snell PTA, the board will meet Wednesday at Garden Village school at 8 p.m. All district PTA's are invited to

$3,000,000 Job Is Callan Venture

A $3,000,000 swank apartment house project to be located in the 75 Dollar Homestead tract near Broadmoor is on the drawing board, THE RECORD learned today.

The proposed development, to be constructed by Callan Realty Co., came to light Monday night when tentative plans were presented for annexation of land between Edgeworth and Sullivan avenue and 88th and 91st streets.

The council expressed approval of the annexation, but asked that boundaries of the areas to be annexed be straightened out so that all the property would be contiguous.

Contacted by THE RECORD, Thomas Callan Jr., one of the partners in the firm, revealed that his company planned to erect 425 "metropolitan-type" apartment units on the property. He said the development would cost at least $3,000,000.

Most of the property on which the apartments will be located is already in Daly City, but Callan seeks to have the whole section placed within the city boundaries.

The realty firm is also asking the council to call for formation of a special assessment district for street improvements in the five-block area where the apartments will be built. A year ago, Callan asked that the district be created, but the measure failed because more than half of the property owners within the area opposed the special district. Since that time, however, Callan has purchased the property owned by persons who objected to the assessment district.

Callan says the apartment development will contain an indoor swimming pool, and emphasis will be placed on providing ample lawns and flower areas adjacent to each apartment.

Callan said the project "would get rolling as soon as possible. Plans are being drawn right now."

He estimated each unit would cost $5000, and grading and other work would bring overall cost of the enterprise to more than $3,000,000.

Distilled rumors: City Manager HOWARD STITES says he is not now actively seeking a position in any other city and "would like to stay in Daly City."

Scuttlebut was that Stites was contacted for the manager job in the newly-formed city of Fremont in the East Bay. He nixed this.

He admitted being approached about a job in another municipality for a salary of $20,000, about $7000 more than he gets now, but says he turned it down, telling the other city's officials, "I feel obligated to stay in Daly City."

League For Better Schools To Approve Candidates Monday

League for Better Schools will meet Monday night to vote on proposed league backing of four suggested candidates for the Jefferson elementary school district board of trustees. Two seats up for election at the May 18 race are now being held by Joseph Lewkowitz and Michael Callan.

Four persons to be considered for approval Monday night are William H. Beck, Lee Lester, Ralph D. Lewis and Thomas F. Noonan.

Beck, 44, lives at 431 89th street, Colma. He is married and the father of four children. Education includes an accounting degree from the university of Utah and a law degree from Georgetown university. His occupation is listed as tax investigator.

Lester, 114 Westdale avenue, is a graduate of the University of California with a degree in business administration. He is 32 years old, married and the father of two children, aged four and eight. Lester, sales engineer, is active in civic affairs.

Lewis, who is assistant man-

Gain Recall Signatures; Election Is Next Step

Three supplementary petitions containing sufficient signatures to force a recall vote were filed with City Clerk B. C. Ross this week by Paul Selmi, leader of the group seeking to oust Councilmen Del Wilson, Sanford Vickers and Micheal De Bernardi.

A total of 1061 signatures, or 12 per cent of the registered voters, was required to call a special election. After certification by Ross, each petition showed the following number of signatures: Vickers, 1201; Wilson, 1213; De Bernardi, 1184.

When originally filed by Selmi, each of the petitions fell a few short of the number of required signatures, but last week Selmi obtained 187 signatures for Wilson and De Bernardi, 185 for Vickers. Out of these new signatures, 12 of those on each petition were invalid.

Ross will file the petitions with the city council Monday night, at which time they may set date for the special election in not more than 40 nor less than 35 days.

Callan to Run Unopposed; McKay Battles Younger

County supervisor Tom Callan of Colma will run unopposed while James T. McKay of Broadmoor will oppose incumbent J. Arthur Younger for U. S. congressman in two of the many political races to be decided by San Mateo county voters in the June 5 general primary elections, according to County Clerk John A. Bruning.

Filing for candidates closed midnight March 30. Voter Registration for the primary election closes next Thursday.

Three men, J. William Kelly, Harold G. Robinson and Richard S. Dolwig, have filed for Harry L. Parkman's state Senate seat. Parkman did not file.

W. Howard Hartley, Louis Francis and John M. McKenna will vie for the vacant 25th Assembly district seat.

Superior court Judge Murray Draper is running unopposed for re-election, as is U. S. Senator Thomas H. Kuchel.

In other battles for board of supervisors positions, third district incumbent William M. Werder is running unopposed, while in the fourth district, incumbent Alvin S. Hatch is running against Fred L. Paxton and Ralph L. Rehbein.

Eleven local residents are among the 65 persons who have qualified as candidates for membership on the Republican and Democratic central committees.

First district candidates for the Democratic central committee (seven to be elected) include Veronica J. Galvin, 84 Westfield avenue, Daly City; Alice J. Johnson, 207 Avalon drive, Sharp Park; Marietta W. Lacey, 184 Pinehurst drive, Daly City; George H. Mason, Sr., 1063 Rosita road, Pedro Valley; and Meredith Orloff, 741 Stewart avenue, Colma. There are ten candidates for these positions.

First district candidates for the Republican central committee (four to be elected) include Norman P. Adler, 912 Foothill drive, Colma; Amos Bechtold, 716 Maddux drive, Colma; Robert L. Dennis, 23 88th street, Daly City; Bernard Etcheverry, 344 Bel Mar avenue, Daly City; Joseph L. Sarto, 175 Station avenue, Daly City; and Frank C. Tracey, 715 Larchmont drive, Colma. Eight candidates filed for these positions.

Joint Rec Program For City-School Told

A joint city-school recreation program that would encompass Westlake, Olympia, Colma, Jefferson, Crocker and Woodrow Wilson schools was outlined to the council Monday night by Recreation Director James Mason.

Funds for the program would come from a five-cent per $100 valuation tax levied by the Jefferson Elementary School district last year under the community services act, which provides for joint city-school recreation endeavors. Approximately $12,100 would be raised from this tax within Daly City.

Mason explained that, "Existing school play areas provide the only outlet for recreation in some areas where there are no city parks."

Under the program outlined by Mason, Daly City would provide the leadership for recreation on the school sites.

The joint program would include baseball, softball, volleyball, football, tetherball, soccer, square games such as hopskotch, track activities and field trips.

Mason said the $12,100 would

Cop Turns Shepherd, Shows Good Technique

Broadmoor police officer Merrill Baxley turned sheep-hearder for a short-time early Tuesday morning.

Seven sheep escaped from a Colma ranch about 2 a.m. and congregated in back of a restaurant at Briggs and Pierce streets, just west of Junipero Serra boulevard.

On routine patrol, Baxley was notified of the animals presence by a nurse from nearby Junipero Serra hospital. Although the police manual says nothing about guiding livestock, Baxley affected a Basque sheep-herding technique, and promptly shunted the animals into a fenced area at Annie and Pierce streets.

Next morning the owner called for the sheep. And it turned out Baxley had done a pretty good job of guiding them. The corral where they had spent the night was only about one block from the ranch where they belonged.

MOVE TO OBTAIN SITE FOR JUNIOR COLLEGE HERE

Establishment of a junior college within the boundaries of the Jefferson Union High school district, as urged editorially by THE RECORD, appeared today to be forthcoming within the near future.

Although College of San Mateo trustees at Monday's meeting informally approved acquisition of a site in this area, formal resolution appointing a survey committee to pick a site in the local high school area is expected to be passed at the board's next meeting on Wednesday.

Whether the junior college will be built in the Daly City or north coastside area is still undetermined, pending investigation by the board.

James I. Tormey, county schools superintendent, urged that the board "move as fast as possible" to

Sterling Park Man Joins Race For Two JESD Board Posts

Ralph D. Lewis, 528 B street, Sterling Park, this week joined Incumbent Joseph Lewkowitz in the race for two positions on the Jefferson elementary school district board of trustees.

Lewis, 32, a mortician, is a resident of the district for six years. He and his wife, Helen, are the parents of two children, David, 9, who attends Jefferson elementary school, and 22-month-old Jill.

He is past chairman of the executive committee of the Sterling Park Homeowners association, is active in boy scout work and serves as a volunteer fireman.

Memberships include those in the El Camino Rod and Gun club of which he is a trustee and on the executive committee, Pacific Association of Casting clubs, Associated Sportsmen of California and the California State Firemen's association.

Lewis said today that he is seeking election to insure the taxpayer "an honest return for his money."

Meanwhile, the state stayed bare on the Jefferson Union High school district level.

NEW LOOK AT 'TOP OF THE HILL' AS UTILITIES GO UNDER GROUND

See Photos Page 3

There's a new look on the "Top Of The Hill" today.

Workmen of the Pacific Gas & Electric Co. this week made the finishing touches on a $100,000 project to remove overhead lines and poles from Mission street between Flournoy and Theta streets and San Jose avenue from Shakespeare street south to Mission.

The task of putting underground the hundreds of wires was done to conform with a city ordinance adopted last year which forbid overhead utilities in that area. When the last pole was yanked out this week it culminated nearly three months work by the PG&E, according to Joseph Rohl, local manager.

Rohl said the subterranean installations will mean that there will be little danger of power failure during heavy storms because of breaks in lines or fallen poles. He also cited the increased safety factor made possible by the underground utilities.

The work involved removal of all poles and overhead facilities and burying these installations under the sidewalks of the "Top Of The Hill" area. The project was carried out without loss of power, Rohl explained.

"It's not only better for us, but the customers, too," Rohl pointed out. "We have greater protection against storms and the customers need not worry about interruptions in service."

D.C. Postmaster Outlines Hints For Better Service

Suggestions on how to obtain better service in receiving parcel post mail were outlined recently by postmaster Vincent P. Murphy.

He said if a package is expected, try to be home and have the proper change available when a C.O.D. parcel is expected.

In cases where it is not possible to be present to receive packages, an arrangement may be made with the building superintendent or a neighbor to accept delivery, the postmaster stated. A note should be left for the carrier in such instances, he added.

Murphy stated, "Should you receive an insured parcel with damaged contents, be sure to save the wrapper, which will greatly aid in filing and processing your claim."

CITY, SCHOOLS WORKING TOGETHER

After more than a year in the making, the joint city-school recreation program stands a good chance of being activated.

The first concrete move was the Jefferson Elementary School district's action in levying a five-cent per $100 valuation tax for this recreation program, allowed under the community services act.

The city took the second big step Monday in unofficially adopting a specific program calling for expenditure of a portion of the money raised to provide leadership at several school sites. In some areas, school grounds provide the only existing outlet for recreation. The land has been there, but no leadership to carry out a program.

The proposed program will next go back to the school district for their scrutiny.

With perhaps minor modifications, we feel the joint city-school recreation program should be carried out in its entirety.

Such a program would be a significant achievement towards the highly desirable goal of mutual efforts by the city and school districts.

IT'S YOUR JOB TO VOTE TUESDAY

Mark down next Tuesday, April 10, as an important day in your life as a citizen of Daly City.

On that day the voters of this municipality will name two councilmen, a city clerk and a treasurer to serve for the next four years.

Your voting franchise is your voice in city government, and that government is responsible for the protection and improvement of your life and property and the administration of that government is something you pay for.

The city is not just a piece of geography. It is you—and you make it what it is by your choice of public servants to work for you.

Remember this! Then make it your job to go to the polls and vote Tuesday.

News From Here & There

By Eleanor Doyle

This has been a busy and hectic week for Mrs. Sherry Marchetti on W. Moltke street. On Monday her sister and husband Mr. and Mrs. Newton Mulkey arrived from Portland, Oregon, for a visit. Tuesday evening at the Brentwood Lodge Sherry was installed as President of the Colma PTA. Wednesday and Thursday were busy days for this new officer and today (Friday) this gal is taking time out to celebrate a birthday. So many happy returns, Sherry, and good luck in the coming year.

After a bout with a bad case of mumps little Peter Bogdan of Thiers began to feel like his old self in time to welcome the Easter Bunny and to eat his share of eggs.

Ronald Calavano on Santa Barbara is planning on celebrating his tenth birthday tomorrow and instead of the usual party he has invited five of his friends to spend the night at his home.

Before Mrs. Mary Noe on Bellevue left our city the Peoria Girl Scout leaders surprised her with a going away party and at that time presented her with a portable barbecue grill.

Belated anniversary wishes go to George and Dorothy Hillman on D street, Colma, who enjoyed an evening out celebrating their 15th wedding anniversary.

An evening at Motorama was enjoyed by eight boys in Den 5 who were accompanied by Den Father Joe Arnold.

Congratulations to Joe and Needie Ragone on Abbot who welcomed their third child on March 27. Master John put in his appearance at the Kaiser hospital weighing in at eight pounds, nine ounces. The new arrival has two brothers, Jimmie, who is five and two year old Joeie.

Councilman Sanford Vickers of Abbot is enjoying a well earned three week vacation. In between small trips with his family, he has been taking some of the neighborhood children down to the Southern Pacific station on visits to various spots of interest.

ART HUELSE, newly elected president of Hillside PTA, is trying a new approach in getting people interested in PTA work. Each evening Art has been going to the homes of different people and asking them to serve on various chairmanships. He has received very few refusals and has succeeded in creating a lot of interest, especially with the Dads.

After enjoying a visit to the aquarium one day last week the Brownies in Troop 212 went on to enjoy an Easter egg hunt in Golden Gate park.

Al Axt, who is an engineer aboard the President Jackson, has started on his second trip around the world and is looking forward to seeing the many places of interest that he missed seeing on his first trip.

To date there are three Daly City gals that are convalescing down at the San Mateo County sanitorium so a great big "Hi" to Daisy Wong, Vickie Schroder and Louise Schwab. A card shower would sure do a lot in perking these gals up. The address is 200 Edmonds road, San Mateo.

Ten year old Louis Coffaro of Whittier street is still convalescing at St. Mary's hospital since his recent car accident and at the present time is sporting a temporary leg cast.

Happy birthday wishes are being sent to Mrs. Irene Chessman on Sweetwood drive who I understand is celebrating a birthday about this time.

Instead of their usual meeting the Cub Scouts in Den 2 enjoyed a tour through the Southern Pacific round house, the train of tomorrow the new "Aerotrain" and then boarded the commuter train, rode as far as South San Francisco where they were met by two of the Fathers. The boys were accompanied on the outing by Councilman Sanford Vickers, Chet Olmanson, Dick Kline, Joe Doyle and Den Father Mike Navarro.

Hear that Miss Julie Kirschener who is now at Mt. Zion hospital is coming along so well that she is coming out of her incubator for her feedings. She has already reached her birth weight of three pounds, three ounces.

After enjoying a six month stay here in our city visiting her son Roy and his family on Garwood drive, Mrs. Marjory Doyle will leave on Sunday for her home in Detroit, Michigan.

Belated birthday wishes to Mrs. Eleanor Torrigino on W. Market street who very recently celebrated a birthday.

Last Thursday the Friendly Neighbors club on Abbot met at the San Bruno park were they held their annual picnic and Easter egg hunt. The outing was enjoyed by the Moms and Dads as well as the children.

Brownie Troop 210 held a combination cook out picnic and marshmallow hunt out at Fleishhakers one day last week instead of having their usual meeting. They were accompanied by Mesdames Sillick, Offenback, Carothers, Anslado, Baldassari, Lesher and Heneise. About 19 children participated in the outing.

Little six year old Shannon Buchanan on Atlanta is doing nicely after parting company with her tonsils over the Easter weekend.

Congratulations are in order for two couples on Abbot who are about to celebrate their anniversaries on April 7. Owen and Ann MacNealy will be celebrating their ninth year as Mr. and Mrs. . . . While up the street aways Bud and Liz Kirby will be celebrating their eighth year of wedded bliss.

Former residents of Thiers street, Jack and Sally Cambridge, announce the arrival of their third child on March 18. Keith arrived at Mary's Help hospital and tipped the scales at seven pounds, one ounce. His big sisters, Joyce and Pam, are mighty proud of the new addition.

Belated birthday wishes to Miss Linda Edgeman on B street, Colma, who recently celebrated her ninth birthday. A party with a few of her friends helped her to fete her day.

Before they moved to Marin county the two Noe daughters were also recipients of going away parties. While Marilyn was being honored by the Girl Scouts in Troop 11, sister Margaret's Brownie Troop 285 surprised her with a lovely party.

The Womens Home club of Colma and Daly City held their whist games on the fourth Tuesday of every month. The games start promptly at 1:30 p.m. and anyone interested in playing is cordially invited to their club room at 23 Werner. Newly elected President of the group is Mrs. Tina Fontana of Mission street.

The moving bug has certainly hit Abbot avenue. Latest folks to be selling their home are the Owen MacNealys who have decided to go into the farming business in Sheridan, Calif. The folks have just returned from Sacramento where they enjoyed the Easter weekend with relatives.

Belated birthday wishes go to Charlene Hook and Star Ruiz on Wyandotte who both celebrated birthdays just a few days apart. Around the corner on Thiers, Miss Marian "Peanuts" Gluck had ever so much fun blowing out six candles on her birthday cake.

During the Easter vacation the flu bug played havoc in many homes. On Parma street Lyle Knox and his daughter Linda had a seige of it—but with good nursing on Mom's part she had them up and around for Easter Sunday. . . . Mrs. Jackie Castle on Abbot didn't make the Easter parade this year either (spent the day in bed). . . . Louella Jacobson also had her hands full, nursing three patients, Dad and the two children David and Bethy. . . . Easter didn't mean a thing to my little boy who was too sick to care. . . . Latest one on Abbot to be on the sick list is Miss Sara Creasy but with her Mom, Dorothy, on the job this little gal will be back on her feet real soon.

Remember to call PL 5-5419 with your news.

DOUBLE PARKING

One of the causes of congestion in downtown streets is the fellow who double-parks. The double-parker is rudely inconsiderate of and unfair to the other drivers using the street. The California State Automobile Association says be fair and be courteous—don't double-park!

DC Plumber Fined $200 On Charge Of Child Molesting

A 38-year-old Daly City man, who last month pleaded guilty to a charge of molesting a five-year-old girl, was sentenced this Thursday by Judge Thomas L. Bocci.

Kenneth Mulligan, plumber of 1142 Hanover street, was sentenced to 60 days in the county jail suspended on condition he be placed on probation for two years and pay a fine of $200.

The plumber was arrested March 12 after the child told her parents that she had been molested two days earlier. According to police, the youngster was spending the night at the Mulligan home when the incident occurred.

THREE INJURED IN MISSION ST. MISHAP

Three persons were injured Wednesday afternoon in an accident in front of Jefferson Union High school on Mission street.

Police said the mishap occurred when a car driven by William Hickey, 17, 808 Miramar terrace, Belmont, crashed into the rear of another auto which had stopped for a pedestrian. Hickey was cited for following too closely behind another car.

Treated at Junipero Serra hospital were the driver, Mrs. Myrtle Curry, 35, 143 Frankfort street; her son, Jay Curry, 3; and Mrs. Lucia Brann, 54, 385 Bellevue avenue. Hospital attendants said Mrs. Curry suffered back injuries, her son head bruises, and Mrs. Brann a broken tooth.

POLICE OFFICER, AUXILIARY HURT IN CAR ACCIDENT

A Daly City police officer and auxiliary were injured Friday night when their patrol car was rammed from behind by another auto on Mission street and Hillcrest drive.

Officer John Coleman, 31, of 121 Hillside boulevard, suffered neck injuries, while back injuries were incurred by Auxiliary Wayne Carr. Both were treated at Junipero Serra hospital.

Driver of the other auto, Howard Richardson, 36, insurance broker of 1720 Louvaine drive, Broadmoor, was cited for following too closely behind another vehicle.

Police said the accident occurred when the patrol car, going south on Mission street, stopped for a red light at Hillcrest drive. Meanwhile, Richardson, following behind the police car, said he bent over to pick up a cigarette and failed to see the signal change.

Because of his injuries, Coleman did not report for duty this week. Damage to the police car was estimated at $85.

New Twist In Beer Commercial Interrupts Peaceful TV Program

Television program watched by a Daly City woman and her daughter Friday night was rudely interrupted by a new twist in "beer commercials."

As Mrs. Christine Hulme and her daughter of 140 Miriam street sat quietly before their TV set, a beer can came crashing through their window and landed on the floor between them.

Police, called to investigate the disturbance, said that the beer can was a quarter full. Damage to the window was estimated at $7.50.

Snell PTA Plans Questions For JESD Board Meet

(Continued from Page 1)

send representatives to this meeting.

Ten questions to be considered at the meeting are the following:

1. According to the survey recently completed in this area, how many children will be on double sessions or housed in multi-purpose rooms in September, 1956?

2. How many children will be on double sessions or housed in multi-purpose rooms in January, 1957?

3. Have you received a report from the Doelger corporation as to their making available temporary housing of the Oddstad variety? (The committee adds that they hope the board will refer this question to Jack Kendree, Doelger representative, who is expected to be present at the meeting).

4. What are the terms of this report?

5. When can we anticipate the plan being put into operation?

6. When will this type of building be available for this type of use?

7. If you cannot obtain housing of this type, what provision is being made for transferring of the double session load in September, 1956, to children other than those already on double sessions?

8. Has the possibility of eliminating kindergarten been given consideration as a means of getting rid of double sessions?

9. What is the proposed building schedule for schools in this district?

10. When does the board anticipate this building program to eliminate double sessions in this district?

CODING ORDINANCES WILL TAKE A YEAR

Another year of work is involved before Daly City's ordinances can be codified and published in book form, City Attorney Frank Blum told the council Monday night.

The council plans to revise many ordinances, eliminate many others that are unwieldly or out-of-date, and codify them all into booklet form so that they may be easily referred to by builders, contractors and citizens.

Blum has been doing preliminary work on that project. He said that $600 of the $1000 allocated by the council had already been spent and that another $2500 would be needed for typing and legal work.

PUGALIST COOLS OFF IN JAIL AFTER BEEF OVER HIS EX-WIFE

The 46-year-old ex-husband of a Daly City woman was sentenced to five days in the county jail this Thursday after he pleaded guilty to a charge of disturbing the peace in a fight with a friend of his ex-wife.

Sentenced by Judge Thomas L. Bocci of municipal court was George Cannon, 46, leather worker who gave his address as 239 West 24th street, Los Angeles.

Police were called to the home of his ex-wife on Wednesday night by Edward Garrett, who later signed the complaint against Cannon. According to Garrett, Cannon forced his way into the house, 101 D Hillcrest drive, and started a fight.

After spending the night in the city jail, Cannon was taken to court the next morning when he was unable to post bail.

CITY ENTERS BRIEF IN JOHNSTONE TRY FOR A NEW TRIAL

The city submitted its brief Monday in Judge Edmund Scott's superior court giving reasons why fired police inspector David Johnstone Jr. should not be given a new trial.

Prepared by City Attorney Frank Blum, the brief maintained that the findings of the council in dismissing Johnstone were upheld by Scott in his original decision sustaining the city's action.

John J. Fahey Jr., representing Johnstone, will have until Monday to forward his brief to the judge. The judge must make his decision by April 14, or the motion for new trial will be held denied under statutory limit in such cases.

JEFF SENIOR ATTENDS STATE YOUTH CONFAB

Edward J. Dennis, Jr., attended by invitation the fourth Governor's Conference on Children and Youth in Sacramento on Wednesday and Thursday of this week. Ed, who was one of two students representing San Mateo county at the confab, is the son of Councilman and Mrs. Edward J. Dennis, Sr.

The conference, called by Governor Goodwin J. Knight, is on an adult level and follows similar county "town meetings" on the juvenile delinquency problem. The local Jefferson Union High school senior won his state invitation as a result of his efforts on the steering committee for the San Mateo county conference.

Ed's activities which prepared him for this week's confab include the following: Jeff High student judge, past president of the Junior Statesmen, Troop 84 Eagle Scout, member of the high school group which revised the school constitution, four-year counselor at a county summer camp and active participation in panels, conventions and organizations dealing in prevention of juvenile delinquency.

not be enough to provide for site improvement on school property, but would pay for ample trained leadership at each school.

The recreation director said other communities had entered into such joint recreation programs with satisfying results.

He agreed with Mayor Joseph Verducci that the activities should be carried on right through the summer, in conjunction with Daly City's regular park and recreation program.

Mason's proposal will be forwarded to the school district trustees for their scrutiny and, if approved, would probably be launched at the beginning of th 1956-57 fiscal year on July 1.

ARRESTS FOR SPEEDING

The California Highway Patrol made 254,739 arrests for speeding during 1955, according to the National Automobile Club. This represented an increase of 49,605 or 24.18 per cent over arrests made during 1954.

If the four above persons are approved by the league membership, they will be urged to present themselves as candidates for the board, according to President Melford D. Battye.

Meeting will start at 8 p.m. at Westlake school.

acquire a north county site. He cited steady disappearance of usable land and fast rise of land costs as reasons.

Also urging immediate acquisition of land was newly-appointed Trustee Jack Kendree who told THE RECORD today that there is a "fine opportunity right now for the development of a junior college in northern San Mateo county."

In continuing his plea for a local college, Tormey declared that the Jefferson Union High school district now has 29.8 per cent of the population of the entire county. He explained that the percentages will increase as San Mateo city decreases in proportion.

"Some 42 per cent of the Jefferson High school students continue on to college," Tormey concluded, saying that the overcrowded San Francisco City college might refuse to accept students from this county at any time.

REC DIRECTOR POSITION EXAM SET FOR MAY 4

Applicants for the position of Daly City recreation director will undergo an examination for that job on May 4, the recreation commission announced at its meeting last week.

James Mason, recreation director here since 1952, will leave his post on April 15 to take a similar job in Eureka, Calif., at a higher salary.

Deadline for applicants to file for the position is April 27.

Salary range is from $395 to $481, but the new director will start at the third step, $436.

All those applying must be college graduates who have specialized in recreation, education, social group work, horticulture, floraculture and other allied fields of recreation.

REAR-VIEW MIRROR

Flip off the non-glare feature of the rear-view mirror when putting the car away in the garage at night so that the mirror is in proper focus for daytime driving, urges the California State Automobile Association. Backing out of the garage in the morning requires full attention and should be done without having to adjust the mirror in the process.

Three Colma Hog Farms Asked To Leave By June

Thre more hog ranches near Colma are being asked to move by June 30, according to county sanitarian Eugene M. Howell.

The ranches are just south of the new Westmoor high school, scheduled to open in September, 1957. The nearby Zanone Ranch, where waste materials from the ranches have been dumped, will soon be converted into homesites, Howell said.

Owners of the ranches are A. Botti & Sons of Daly City. The removal of these ranches will leave only two hog farms in unincorporated areas of Colma.

Coffee Warmer, Lacquer Combine; Blaze Averted

Slight damage was done Monday night when a Daly City woman tipped over a one-candle power coffee warmer in her home, but the blaze was put out before it could spread, firemen said.

Mrs. Mary Adams, 660 Hanover street, was brewing a pot of coffee as she lacquered her nails. Somehow, the warmer and the bottle of lacquer tipped over.

Firemen said some damage was done to a lacquer-doused chesterfield, coffee table and rug.

Man, 81, Bolts Local Sanitarium, Heads For SSF Warmer Clime

Eighty-one-year old Leopold Kleeman had been residing for some time at a local sanitarium.

Yesterday he decided he had 'had enough' and walked out the front door and straight to a district attorney's aide in South San Francisco. Kleeman told the official he wanted to move somewhere else.

Broadmoor Police Chief Ray Savage picked him up and brought him back. Savage says he'll try to get the octogenarian placed in a rest home further south in the county where the weather is more to Kleeman's liking.

EARLY LICENSE PLATES

Early motorists were required to put their initials on their cars as "license plates," according to the National Automobile Club. This practice was dropped when it became too confusing.

SOCIAL GATHERING — Members of the Sterling Park "20-30" club gather at the home of Mrs. Lorraine Bovero for an afternoon of talk and refreshments. Termed purely a social club by its members, the organization was founded in May of 1951 by four women. Membership now reaches 14. Shown here are (left to right), Mesdames: Sue Olson, Pat Burkey, Kay Anderson, Helen Delucchi, Barbara Hartzell, Katherine Valiando, Shirley Stone and Bovero.
THE RECORD photo

Sterling Park '20-30' Club Is 'Purely Social'

Editor's note: This is the nineteenth of a series of articles on local women's organizations. THE RECORD will feature one of the groups listed in our files each week.

"Purely a social club" is what the 14 memebrs of the Sterling Park "20-30" club term their organization. Besides meeting every other Thursday for chit-chat and refreshments, the young women gather every Tuesday for cake and coffee.

Special events throughout the year include a gala New Year's eve party at one of the member's homes, a restaurant dinner for members once a year, progressive dinners and come-as-you-are breakfasts.

Secret pals are chosen each year, and gifts are exchanged on birthdays, Christmas and anniversaries.

Only officer is the secretary-treasurer, which post is now held by Mrs. Sue Olson.

Four members were the nucleus of the "20-30" club when it was begun in May of 1951. Each member sponsored a new initiate into the club until its present total membership of 14 was reached.

Members are the following, Mesdames: Olson, Jackie Allen, Katherine Valiando, Lorraine Bovero, Pat Burkey, Lois Piazza, Shirley Stone, Gene Fitzgerald, Irene Back, Jackie Halloran, Kay Anderson, Barbara Hartzell, Helen Delucchi and Pat Bookout. Although Mrs. Bookout recent moved to Fresno, she retained active membership in the club.

Catholic Daughters Plan Annual Day Of Prayer

Sunday is set for the annual day of prayer and meditation for members of the Catholic Daughters of America of the Archdiocese of San Francisco.

Mrs. Irma Doyle, Archdiocesan chairman of Share the Faith has announced that the conferences will be held at the San Francisco College for Women, 2800 Turk street, San Francisco. The Reverend Parnell J. McCarthy, state chaplain, will conduct the excercises for the day.

Golden Gate Grandmothers Plan Luncheon

Golden Gate Grandmothers club No. 266 announces a benefit luncheon-bingo to be held at Collingwood hall, 97 Collingwood street, San Francisco, on Monday. The public is invited to attend the event which will begin at 12 noon.

Membership drive, which will close at the end of this month, has already gone over the goal set by the club. Several new members were initiated at the last meeting.

At last month's luncheon meeting, guest speaker was Marcia Leton Kahn, district manager of the department of health education and welfare of the Social Security administration.

Meetings are now held on the second and fourth Mondays of each month. All grandmothers interested in making application are urged to contact President Ella Brey at JU 4-2691 or Publicity Chairman Patricia Fawcett at DE 3-5696 for further information.

Mrs. M. Weckerle Announces Catholic Daughter Confab

The seventeenth biennial convention of the Catholic Daughters of America for the state of California will convene at the Sheraton Palace hotel on May 17th-20th inclusive. Mrs. Milton Weckerle of Daly City, state regent, has announced that Court Infant of Prague South San Francisco will hostess the four day conclave. Mrs. John Buller has been appointed general chairman by Mrs. Charles Carlyle, grand regent of the South City Court.

The Catholic Daughters will convene at St. Mary's Cathedral Van Ness and O'Farrell streets, for mass at 8 o'clock. The opening session on Thursday is scheduled for 11 o'clock. Friday and Saturday sessions will commence at 9:30 a.m. preceded by Mass at St. Patrick's church on Mission street. Delegates and visitors are requested to make hotel accommodations with the Sheraton-Palace hotel. Deadline is May 10. The Saturday evening banquet and Sunday morning Communion breakfast reservations may be secured by contacting Miss Sylvina Zipp, post office box 227, South San Francisco.

OIL CHANGES

The average crankcase capacity of all 1941 automobiles was 5.26 quarts, reports the California State Automobile Association. The average for all 1955 cars was 4.92 quarts. One thing has remained the same, however, oil should be changed regularly. Check with a reliable service garage or your automobile dealer regarding the frequency.

TIRE THUMP

If your car has a thump at certain speeds it may be due to irregularities in one or more of the tires. This condition is known as "tire thump" and does not cause or contribute to tire failure. If you are in doubt about the thumping of your tires, says the California State Automobile Association, check with your dealer or a reliable service garage.

Stauffer System remolds your entire figure!

MRS. GWEN O'LEARY is a recent Stauffer System success story. In just slightly more than two months she lost 27¾ inches and remolded her entire figure.

When interviewed, Mrs. O'Leary stated: "I never realized anything could really be so good. I saw other women reduce at Stauffer System—but I didn't think it would actually happen to me! The visits were pleasant, the people were nice, and I'm actually going to miss coming to the salon."

Like more than 3,000,000 other women, Mrs. O'Leary received complete, specialized reducing from Stauffer System. We took hard-to-lose inches from her ankles, thighs, hips and tummy... beautified her posture... and coaxed her body into the lovely lines you see here.

WESTLAKE STORES OPEN WEDNESDAY AND FRIDAY NIGHTS UNTILL 9:00

Indian Trackmen Clash With San Mateo for Lead

Early-season NPAL track domination will be decided today (Friday) when coach Ernie Ribera's powerful Jefferson high trackmen travel to San Mateo for a dual meet with the Bearcats, whose varsity is tied with the Jeffs for top spot.

The Indian lightweight track squads will also strive to preserve their league-leading 2-0 marks.

The Indian varsity has been impressive in rolling over South San Francisco and Carlmont in its two league starts, but so has San Mateo in winning two league meets.

The Indians' Jerry Howard boasts the best broad jump mark in the NPAL with a 20' 3½" mark, and Jim Honeywell has the best clocking in the quarter-mile. However, four Bearcats have posted NPAL bests this season.

Sprinters Lowell Klaisner and Ron O'Rourke, pole vaulter Al Arnesson, hurler Don Weiser and weightman Jim Farley all should score points for the Indians.

Sonny Martinez and Bruce Lavazzano lead the Jeff thirties in quest of league win number three. Martinez has the best 150 and 330 clockings of the season, while Lavazzano has been a consistent winner in the pole vault and high hurdles.

Harvey Marston with league-topping clockings in the low hurdles and broadjump heads the Indian twenties squad. Dave Dunbar has a top mark in the twenties 330.

In an unofficial tabulation, Jeff entrants topped San Mateo 18-[illegible] in a league development meet in Palo Alto last week.

Honeywell, with a :51.5 440, and Weisner, :15.6 over the highs, were the Jeff winners. San Mateo's Kile grabbed a first in the pole vault at 12". Arnesson was second at 11' 9".

The Jeffs continue league action with a dual meet against Burlingame Tuesday on the Indian oval. April 14 they will enter the El Cerrito relays at El Cerrito.

Errors, Walk Hand St. Brennan's Win Over DC Juniors

Daly City Juniors suffered their second defeat in three outings Saturday when they dropped a 5-3 tilt to St. Brennan's.

Losing pitcher Bill Ludwigsen only allowed three hits, but was the victim of a four-run avalanche in the third inning as St. Brennan's capitalized on two walks, an error, two hits and two wild pitches that hit the batters.

Bill Hinyes smacked two hits in as many tries to pace Daly City hitting. Barry Krohn got one for three, Allie Stoller, one for two, and Richard Morales, one for three. There were no extra base hits.

The Juniors square off against Podesta nursery this Saturday at 2 p.m. at Jefferson High school diamond.

SF JURY INDICTS 2 W'LAKE MEN ON BOOKIE COUNT

Bookmaking and conspiracy indictments were returned Monday night by the San Francisco grand jury against two Westlake men arrested March 21 in a police raid on Wright's Billiard parlor, 82 Ellis street, San Francisco.

Charged with four counts of bookmaking and one count of conspiracy were Robert Bills, 36, proprietor, 471 Southgate avenue, and Earl Whitehead, another owner, of 10 Westlawn avenue.

At the time of the raid, police titled the billiard parlor activities as "the biggest bookmaking operation now going in San Francisco" and estimated the daily gross was $1500 to $2000.

CANDIDATES DEBATE BEFORE HILLSIDE RESIDENTS FRIDAY NITE

Candidates for city office will appear this Friday night (Friday) before the Hillside Homeowners Improvment club when that group meets at Colma school, starting at 8 p.m.

All candidates for council and city treasurer have been invited to attend the session and give their platforms.

Last night a similar "Candidates Night" was held before the Westlake Improvement associaton.

Jeff Tankmen Prime For Panther Clash

Jefferson high school's varsity swimmers, tied with Burlingame for first place in the NPAL, primed for a clash with the Panthers April 12 when they met Hillsdale in a dual meet yesterday (Thursday) in the Hillsdale pool after THE RECORD went to press.

The Indians rolled over San Mateo, Carlmont and Capuchino in their first three league starts, and a win over Hillsdale would set up a natural with Burlingame, which is also 3-0, next Thursday in the Jefferson pool.

Bob Craig, Andy Ruelas, Bill DeLucchi, Ray Lippert and Jim Giblin have paced the varsity in previous meets, while Dick Rasor has been a consistent winner for the thirties.

BYA Presents Awards To Basketball Champions

Members of the champion eighth grade team, The Herd, coached by Bill Souza, were presented with medals at the closing ceremonies of the Broadmoor Youth association second annual basketball tournament Thursday night at the Broadmoor community center.

Dick Reese, the league's leading scorer, also received a medal. Other medal awards were presented to the boys who won the special basket shooting contest.

Certificates were awarded to all other boys who participated in the program. The awards were made possible by the American Legion post 824.

BROADMOOR CUBS SCORE BIG WINS

Broadmoor Cub pack 84's softball teams continued on their winning ways by rolling over their respective opponents Saturday.

The undefeated pack 84 'A' team walloped pack 160, 24-0, in a West of Twin Peaks softball league game at Balboa playground behind the shutout pitching of Ronnie Johnson.

Third baseman Brue Hix pounded out three home runs to pace pack 84's 31-hit attack. Wayne Podesta, Dick South and Mike O'Day each collected one round-tripper.

The 'A' team plays rival Broadmoor pack 293 Saturday, 2 p.m., at Balboa park.

Meanwhile, the pack 84 'B' squad rapped pack 1, 34-17, in a wild contest at Aptos junior high field. The 'B's got off winging as they scored 17 times in the first frame.

Home runs by Johnny Bartlemez and Roger Edler featured the 'B's 19-hit performance. Steve Milan and Larry Skinner shared mound duties for the 'B's.

The 84 'B' squad is idle until April 14 when they meet pack 248 at South Sunset playground.

Menlo-Atherton Upsets Jefferson

Menlo Atherton's linksmen ruined Jefferson high school's perfect league record with an upset 14-13 win Tuesday at the Lake Merced golf club.

The unexpected loss gave coach Mike Orlich's golfers a 1-1 league record.

Steve Opperman led the Indians with an 80, defeating M-A's Spinner Johnson, 3-0. His partner, Jim Giblin, lost to Charles Robinson, 2-1, but Giblin and Opperman teamed up to win best ball, 3-0.

Wayne Guisti scored a 3-0 win, but partner Al Harris lost to Lee Pennell, 2-1. The two Indians lost best ball, 2-1.

The margin of defeat came in the first foursome where the Indians' Dick Stouki and Stan Weld lost to their opponents by 3-0 scores, and also lost best ball, 3-0.

Tuesday Jefferson faces Carlmont in a league match at Lake Merced.

Miller Cards Best Sweepstakes Score

Milton Miller, shooting in class 'B' Sunday recorded the best net score in the Medal Sweepstakes over the weekend at Lak Merced golf club. He fired an 89 with a 20 handicap for a net score of 69.

Leading the class 'A' group Sunday was Russ Cline with a 79-9-70. Following him were Dick Eichler, 77-6-71, and Dr. Maurice Eliaser, 80-9-71.

Trailing Miller in class 'B' were Joe Weneroth, 89-16-73, and Bill Rosenthal, 89-15-74.

Three men tied for class 'A' leadership Saturday. Mel Nathan had 77-5-72; Bud Brody carded 79-7-72; and Jerry Weinstein had 83-11-72.

Vince Nevolo took class 'B' honors Saturday with a 90-17-73. Trailing were Lou Hirshorn, 104-30-74; Dick Shemano, 91-17-14; and Bill Rosenthal, 89-15-74.

School Sewers Win Sanitation District OK

Plans for sewer installations at Benjamin Franklin school were approved Monday by the North San Mateo County Sanitation district.

Action on the Abraham Lincoln school site was withheld, since the site must still be annexed to the sanitation district.

In other action, the board discussed measures to correct defective sewers at 485 San Diego avenue, 462 Bellevue avenue, 498 Willits street and 550 Hillside boulevard.

Jefferson, Capuchino Nines Meet Today for Loop Lead

Jefferson high school's varsity nine takes on Capuchino today (Friday) at 3:15 p.m. on the local diamond in a battle for undisputed possession of first place in the North Peninsula Athletic League.

The Indians scored an easy 9-2 win over Hillsdale Tuesday afternoon on the losers' field for their third league win without a loss. Capuchino matched Jefferson's NPAL record by spanking Burlingame, 7-5, the same day.

Jefferson banged out 11 hits and were helped by nine Hillsdale errors in recording their tenth win of the season in 15 starts. Ed Leveroni went the distance for the Indians on the mound, striking out 10, walking two and allowing five hits.

The Indians jumped to a quick two-run lead in the first inning on a lone single by outfielder Mike Wedlake. Two walks an an error set up Wedlake's two-run blow. Wedlake collected three singles during the game.

The Indians made it 5-0 in the third. Bill Strassburger doubled to lead off the frame. Wedlake contributed another single, and a walk to Tom Cloutier filled the bases. Strassburger scored on an error by the Knights' catcher, and hurler Leveroni singled across Wedlake and Cloutier.

Leveroni hit safely again to open the fifth, and went to third on an error by the left fielder. However, he was picked off on Ron Cryer's ground ball.

Ino Patron kept things alive with a single, and then Leroy Franzoia sent Cryer and Patron home with another single.

The Jeffs wrapped up their scoring for the day with two runs in the sixth on two Hillsdale errors, a fielders' choice and Barrie Haanan's single.

Hillsdale finally got to Leveroni in the sixth for two tallies on a walk, a triple and a single. But the game was salted away by that time.

Jefferson suffered its sixth defeat of the season Wednesday when it took a 14-1 pounding from San Leandro in a non-league warm-up game on the east bay diamond. The Indian batters were handcuffed with two hits.

The Indians will be hard pressed to remain in the league lead. After today's crucial with Capuchino, the Jeffs travel down the peninsula for a game with Carlmont (1-2) Tuesday, and then return home to battle South San Francisco (2-1) next Friday ending the first half of the season.

Westmoor High Students Choose Colors, Mascot

Jefferson high school students who will be attending Westmoor high school next fall semester selected green and white as the school colors and "Rams" as the school mascot at recent elections held at Jefferson.

The selections were made early this semester to facilitate the purchase of athletic equipment. if the selections had been postponed, white uniforms would have to be purchased now and dyed in the fall, thus incurring additional expense.

Westmoor high school will be held at Jefferson in the mornings from 7:45 a.m. to 12:15 p.m., and Jefferson will be in session in the afternoon.

Tell Lucky Winners In W'lake Drawing

A Coastside woman won the grand prize of a 1956 Chevrolet sedan Thursday night on the first of two drawings conducted by Westlake Shopping Center merchants and Henry Doelger.

Mrs. Norma Albrechtsen, P. O. Box 492, Sharp Park, was the winner of the new auto.

Mrs. E. Stich, 412 Central avenue, San Francisco, was the lucky recipient of a $1000 mink stole, while Mrs. Gene A. Siekert, 245 Crestlake drive, San Francisco, won a lake front view lot in Buckingham park. A. Galvin, 36 Tacoma street, held the lucky number for a 24-inch Silvertone TV set.

Next drawing will be held April 13 at 8 p.m. with identical prizes to be offered. Tickets already in will be good for the next drawing. Tickets can be obtained at the Westlake Shopping Center.

Indian Frosh-Soph Smash St. Ignatius

The Jefferson high school frosh-soph baseball team buried St. Ignatius, 14-3, behind the hitting and pitching of Jim Wilson in a non-league game Tuesday on the Jeff diamond.

The frosh-sophs met Balboa, who they defeated earlier in the season, on the local diamond yesterday (Thursday) after THE RECORD went to press.

Wilson went the route on the mound to get credit for the victory, and pounded out three hits, including a three-run homer in the third inning. He allowed but six hits and two walks, and set six to the dugout on strikes.

Wilson's round-tripper highlighted a five-run inning for the Jeffs, and gave them a commanding 8-0 lead.

Paul Tapia banged a home run and a double good for two r.b.i.s in a six-run fifth inning for Jefferson. Don Anderson also homered in that frame. Ed Berg picked up two singles in the 14-hit Jefferson attack.

The frosh-sophs travel to Sequoia for a non-league game Tuesday, and then return to league action Thursday at 3:15 p.m. against Hillsdale on the Jefferson diamond. The Jeffs are 1-1 in league play.

John Geertsen Fires 69 To Win Pro-Am Honors

Broadmoor's John Geertsen fired a two-under par 69 Monday to take low professional honors in the northern California PGA pro-amateur tournament played on the Mira Vista country club course.

Geertsen won further honors when he teamed with amateur Jack Mullen of El Cerrito to tie for pro-amateur best ball medal at 63. The team of Paul Farmer of Sacramento and Andy McNoughton of El Cerrito tied Geertsen and Mullen.

FOR CITY TREASURER

During the past 2 years the present city treasurer has misused his office in the following manner:

1. Campaigned against 3 incumbents in the 1954 election in a plot to 'control' city government —only to find the 3 men he supported would not be his 'puppets.'
2. Tried to have the office of license collector put in his private real estate office and be appointed collector at an increase in salary.
3. His plan to be the 'political boss' of Daly City thwarted, he initiated a recall movement against the 3 councilmen he supported in 1954.
4. He has brought disgrace and ridicule to the city and the office of city treasurer by his 'political pressure' activities.

City Candidates Tell Platforms

SM Attorney Files For 25th Assembly

Louis Francis, San Mateo civic leader and attorney, was the first candidate to complete the filing of his nomination papers for both party nominations for the 25th assembly district covering the northern half of San Mateo county in the regular June 5 primary election.

Francis was also the first candidate to take out nomination papers for the special election to be held at the same time as the primary for the unexpired term of the 25th assembly district vacant since January, 1955, when Dan Creedon resigned. Filing deadline for the special assembly election is April 20 and requires 528 signatures.

"I intend to wage a most vigorous and clean campaign for election in the special election and nomination in the primary election June 5 from both parties," Francis said today.

Francis has been a most active civic leader and youth leader in San Mateo county as director of the American Red Cross, director of the Boys' Club of San Mateo, assistant district commissioner of the Boy Scouts of America, legislative officer of the Veterans of Foreign Wars. He is past county president of the Young Republicans and State Vice-president and past president of the Community Association, Inc.

He is a member of the San Mateo Junior Chamber of Commerce, American Legion, Kiwanis, Native Sons of the Golden West, California Republican Assembly, Knights of Columbus, Lafayette Club, St. Mathew's Mens' Club, Barristers' Club, the American, California, San Francisco and San Mateo Bar associations and past member of the Republican Central committee.

SSF Man Admits Guilt In Drunk Driving

A South San Francisco man was given the alternative of going to jail for 30 days or paying a $200 fine after pleading guilty Tuesday in municipal court to drunk driving in Daly City on February 15.

Donald Cameron Ray, 155 Francisco drive, changed his plea to guilty, after first asking for a jury trial.

Karl Otto Schmidt, 259 Miriam street, Daly City, forfeited $25 bail in municipal court after failure to appear on a charge of being drunk in a public place March 24.

Vandals Cause $45 Damage To Convertible

Vandals caused $45 damage Saturday night to a convertible parked at the corner of Thiers and Wyandotte streets. Victim was Ethel Louis, 191 Thiers street.

Police said that the culprits slashed the canvas tops of the convertible and broke a door handle. Nothing was reported missing.

Joseph J. Verducci

Joseph J. Verducci today issued a strong appeal for all voters to go to the polls Tuesday and cast their ballots in the city council election.

"The die is now cast," the committee for re-election of Verducci said, "and most of the people have formed their opinion on the election. They know they can vote for clean government, or throw in with the pawns of a strong political pressure group that would like to see an open town."

"Mayor Verducci has had the courage to vote on issues when he knew his decision would not be politically popular. Yet he faced criticism in order to fulfill his duty as a representative at large of Daly City, not a political pawn who votes to gain more votes."

The committee asked, "Did the mayor vote for dismissal of a police officer to win popularity? Did he vote in favor of abandoning several commissions to win more friends? Did he work energetically for the city manager form of government because he thought it would be greeted with immediate applause? Did he work actively to close down a notorious tavern because he thought he might gain political favors?

"The answer to these questions," the committee said, "is an emphatic, 'No.'"

"He took a strong stand and followed through on it despite abusive criticism because he had at all times the welfare of Daly City at hand. Daly City means 30,000 residents—not 200, or 20 or 5—but all 30,000.

"Grasping at straws on every issue, the pressure group has been rebuked on all fronts in the past two months. They have shown their colors."

"Knowing the caliber of these opponents," Verducci said, "I have no doubt that they will resort to distortion of the truth in their final appeal. Don't be misled by these last-minute tactics. If these men had valid facts, they would have concentrated on them throughout the campaign. The fact that they waited until the last few days to 'reveal' their information is testimony to its value."

The committee closed by pointing out that the greatest single testimony to the efficiency of Daly City's government is the fact that major national business concerns have seen fit to locate here. If taxes were excessive, government cumbersome, these firms would have gone elsewhere. Daly City's tax rate is now far below any North San Mateo county city and with addition of new progressive firms, the tax burden on the individual property owner will be lessened further."

JANE KEITH

In this, my last talk with you before the April 10 election, I would like to say once more that my only promise is to do my best as your City Treasurer. My platform: a firm belief in the City Manager form of government and the conviction that cooperation between that government and the people at large is not the impossibility implied by the "recall" group.

For seven years I have dealt with the businessmen of Daly City in my capacity as shopping columnist for the Shopping News and Westlake Times. News is my business, but what to write if the news was bad? What to say if I felt a businessman had made a mistake or pulled a "boo boo?"

In reporting news of Daly City business, my feeling and writing has followed this line: "If the news is bad—let the man or business it affects know first—not last! First, give the chance to change or rectify—and if a story suffers by it, let the story, not the man or business suffer without that chance!

As a part time teacher at Toyland Nursery School for the past five years this same "give the man a chance" feeling has had ample opportunities for being put to the test. And it works!

As Residential Chairman for the 1949 Community Chest Drive I learned from door to door and telephone to telephone canvassing just how generous and fundamentally fairminded you Daly City residents can be. As a County Board member of the Chest in 1950, that learning was confirmed on a larger scale.

The same response has come through my work in Girl Scouts and Cub Scouting, in PTA, and work with civic groups for such civic improvements as the War Memorial building, parks, etc. And very recently, as a member of the Library Commission, from watching people's response to the "Friends of the Library" group.

Is politics so different from all of these day by day activities—or is the difference in the attitude of such men as those heading the "recall" group and their power hungry hangers-on! I use the word "power hungry" advisably, because certainly the money involved is inconsiderable (a councilman gets $50 per month) and the less said of "ethics" in this "recall" business—the better!

If elected as your City Treasurer, I will have much to learn of the office itself, but the learning of job processes is not my prime concern right now.

On April 10 when you go to the polls, may I urge you to think beyond these particular councilmen and this particular treasurer? And think to the future of Daly City as a town in which you and your families will be proud to live. Men change and come and go, but the way you vote on April 10 may mean a change in the very form of your government.

I urge you to vote for that "not on the ballot, but there just the same—City Manager form of government" and for the people who support it!

Sincerely, Jane Keith.

EDWARD J. DENNIS

During the last six weeks our local paper has been gracious enough to avail free space for all city candidates. Councilman Edward J. Dennis, with a fine record of public service, accepted this opportunity to present the truth and facts to our citizens.

Unfortunately, a candidate for the city treasurer's position, namely Paul Selmi, has refused this opportunity. Instead Mr. Selmi circulates the so-called "Spotlight Review" and very definitely suggests we all support his hand-picked council candidates.

As Mr. Selmi was a former Daly City mayor, hundreds of us who helped to make our city a fine place in which to live, work and play certainly remember the "Selmi regime."

Did not the voters oust him in 1342 by one of the biggest majorities in history?

Wasn't his regime the one which built the present inadequate city hall which necessitates renting private buildings for city services, thereby costing the taxpayers precious money? Incidentally, ample federal funds were available to build a city hall planned for the future, together with purchasing adjacent lots for parking purposes.

Yes, Mr. Selmi's foresight was very poor when he was in a position to mold a modern city.

Also, Mr. Selmi's weak leadership cost the taxpayers thousands of dollars on the failure of a municipal bus system which lasted only several months.

Two years ago the same Mr. Selmi sent out throw away sheets similar to the "Spotlight Review" and also running down the incumbents.

Will not the two special elections he advocates cost the taxpayers approximately $8000? Who is the money waster?

Hasn't Mr. Selmi acted like a small boy in his controversy concerning the collection of parking meter monies?

Didn't Mr. Selmi's so-called Better Government club fall apart when he personally endeavored to criticize the voting record of Edward J. Dennis.

Prior to Mr. Selmi's term, the treasurer's office was capably operated by a fine person in Florence Stockton. Fortunately, the voters have an opportunity to replace Paul Selmi with another worthy and well qualified woman in Jane Keith.

If Mr. Selmi is so interested in the council race, why didn't he file for that position and try a comeback? Yes, we all know the answer.

All homes in Daly City have been mailed the names of the citizens supporting Edward J. Dennis, together with the official voting record in the interests of good government. Don't be fooled by throw away sheets or last minute false appeals.

In closing, Councilman Edward J. Dennis respectfully thanks his many friends who are interested in sincere, experienced and progressive leadership in government and who have so diligently campaigned to re-elect a proven public servant on Tuesday, April 10.

SAM GRADO

This is the last time I can present myself to you before the time set for election and while it has been a pleasure to meet many of you personally, there have been many whom I could not call on individually. My platform remains unchanged and it is noted that several candidates have agreed with me and adopted it for themselves. This only strengthens my conviction that what I want for Daly City is good.

April 10, Fellow Citizens, you will decide how you will be governed for the next four years. I, Sam Grado, have told you what my platform is. I have promised you that I have made no political commitments, that I owe no man or group of men any political favors. I intend to keep this promise and to see that your city government is run for the people and by the people for all the people.

May I thank all those who have been so kind and helpful to me in this campaign.

This is your city and your money which is being spent; your homes and children to protect. May I urge you to vote and to vote wisely. Sincerely yours,

SAM GRADO

Ross - Becker

As the day of election approaches, we find to our surprise that many of our statements during this campaign are in complete accord with those made by the incumbents.

The incumbents state that when they took office four years ago, the police department cost the taxpayers less than $100,000 per year and that now it costs $200,000 per year. We agree that this is a fact.

They state that they raised the tax rate 10 per cent during the last four years. We agree that this is a fact.

They state that the City Clerk is the Assessor and responsible for the equitable raise of 15 per cent in the assessed valuation on our property last year. We agree that this is a fact.

(A 15% raise in valuation and a 10% raise in the tax rate is the same as a 25% raise in our taxes.)

They state that the recreation and park budget for the year 1951 was only $17,000 and that under their administration, just four years later, the yearly budget is $104,000 per year. We agree that this is a fact.

They state that they used the parking meter revenue for street repairs, instead of purchasing off-street parking facilities. We agree that this is a fact.

They state that last year they granted a rate increase of 85 per cent to the garbage collectors. We agree that this is a fact.

They state, that previous to the time they took office, the total cost of running the city was only $573,000 per year, but that they have instituted various services for our benefit, and have been successful, thereby, in increasing the budget to its 1955 level of $1,109,000. We agree that this is a fact.

The foregoing statements are their boast of accomplishment during the last four years; now they ask your vote for a continuance of this type of administration.

We ask your support in our election to the City Council, so that we can "Stop" this wasteful expenditure of the taxpayer's money. Three weeks ago we issued a clear-cut "statement of policy," and we believe we have presented our factual campaign on a dignified basis, consistent with our business experience and maturity. We pledge ourselves to restore sound, basic business principles to the administration of your tax dollars.

Paul Hupf

"Examine the qualifications of all the candidates in the race and you will find that none approach or equal those of Paul Hupf," Frank Pacelli stated in his final release this week. "Paul represents and embodies the type of man Daly City needs to obtain competent councilmen during the period of growth and expansion which faces the city."

Pacelli continued, "During the past weeks, we have striven to explain the platform on which Paul is running, but more than anything else, he stands for honest government, for a council which will assert the authority vested in it under the law, and for faithful representation of the people of Daly City, without favor to any special interest.

"It is necessary also to mention that many rumors of an extreme nature have been circulated. Unless the material has been presented in these weekly reports or in official material from our committee, such reports are untrue and the efforts of such a nature constitute a base attempt to blacken the name of someone who is striving to bring honest, capable representation to Daly City."

Pacelli concluded, "The campaign slogan, PUT ABILITY IN GOVERNMENT, is no idle thought or glib expression. It truly fits the candidacy of Paul Hupf. Every voter can best serve himself and Daly City by voting for Paul Hupf on April 10."

Joseph Lewkowitz

It is for the good of the community that issues such as parks and playgrounds become a part of any councilman's platform so as to create a community spirit and interest in these civic responsibilities. It is common knowledge to most citizens the efforts Joe Lewkowitz has put forth to establish facilities for parks and recreation, and according to Joe, he will press even more for expansion of these facilities.

It is for us to examine the budget for the past two years and ascertain if those who take credit for newly established facilities did so by planning or if it was decided they were necessary as accomplishments for this election, without the designated funds. Is it also true workers from every department were taken from their jobs and used to meet a deadline date prior to the election? This, no one can be proud, but proper planning and fulfillment of these plans are the only way. This is the reason they are part of Joe Lewkowitz program for advancement.

The establishment of first-aid facilities is a prime necessity since local facilities are not adequate to render proper emergency treatment. The present facilities are overcrowded and under staffed, thereby making it necessary in the public interest that emergency first-aid stations be established and maintained. There should be at least two of these emergency stations available in centrally located areas so as to render proper service.

Since we have long outgrown our city hall building, departments have been housed hither and yon making administrative and interdepartment coordination very impractical. The use of our War Memorial building for office space should be eliminated and we should look to the enlarging of the present city hall, which has available ground for expansion, with the thought when we have grown to proportions for further expansion we may build facilities especially designed and more centrally located for our police department.

With all the planning, if we fail to analyze our problem of growth we may well have done our work in vain. It is for this reason I would like to propose a committee be inaugurated for the purpose of making an analytical study leading to a new city charter.

Elect Joe Lewkowitz, a man that has the desire and ability to make his promise reality.

U.S.M.C. Tank Outfit To Relocate By May 1

The 1st Tank Company, United States Marine Corps Reserve located at San Bruno is to be relocated by May 1, it was announced today by Major John L. Watts, commanding officer of the tank unit. The official information concerning the Marine corps decision to relocate the unit was released by Colonel Russell E. Honsowetz, assistant deputy director of the 12th Marine Corps Reserve and recruitment district during a visit to the Marine Reserve training center at San Bruno on Tuesday evening. Recent real estate transactions entered into by the Navy at the San Bruno Navy Base precludes the continued use of the tank company's driving and manuever area.

VARIETY SHOW SET BY AREA CDA COURTS

Mrs. Milton Weckerle of Daly City, state regent of the Catholic Daughters of America, has announced that a variety show will be sponsored by all the courts throughout the Archdiocese of San Francisco for the benefit of the Archdiocesan Seminary fund. This provides for the educating of young men for the priesthood.

Proceeds will be presented to The Most Reverend John J. Mitty, Archbishop of San Francisco, by Mrs. Weckerle.

The variety show will be held on Friday evening, April 27 at 8 o'clock, Scotish Rite Auditorium, Van Ness and Sutter street, San Francisco. Miss Pauline Papas, operatic singer will be the featured guest star. Many of the courts will participate in the scheduled vaudeville program.

Meeting Of Jeff Hi Board Of Trustees 'Off-On' Technique

In a meeting with Architect Mario Ciampi Monday night, the Jefferson Union High school board of trustees determined that a total of $2,874,627 is immediately due on payment for the Westmoor High school.

Although the special meeting was called for the purpose of discussing Ciampi's contract for the Sharp Park school, Chairman Lyal Ingersoll adjourned the meeting at 9 p.m. following discussion of the Westmoor project. Only a few minutes later after THE RECORD reporter had left the meeting was reconvened and an hour's discussion on the Sharp Park school took place.

Near the end of the session, Don Miller, Laguna Salada school district trustee, cited the Brown act controling public meetings and advised trustees to wait action until a representative of the press was present at next Monday's meeting.

The board is expected to reaffirm their acceptance of Ciampi as Sharp Park school architect at next week's meeting.

Of the total $2,874,627 committed for Westmoor High school, $2,146,814 is available in bond monies, leaving a total of $727,813 to be allocated in the budget.

SCAVENGER COMPANY SPRING CLEANUP SET FOR WEEK OF MAY 21

Annual Spring Cleanup, a free service by the Daly City Scavenger company, will be held May 21 through 26, Al Sereni, Scavenger president, announced today.

Items falling under the spring cleanup category should be placed on the curb the night before the regular garbage pickup, Sereni explained.

Papers and other articles must be tied in secure bundles, and no bundle should weigh more than 30 pounds. Trimmings and lumber must also be tied and should be no longer than three feet. Rocks, dirt and cement will not be accepted.

JEFF HI PTA PLANS MEET ON THURSDAY

The Jefferson Union high school PTA will hold its regular meeting next Thursday night at 8 p.m. in the Little Theater of the high school.

Important items on the agenda are presentation of a program by Miss Eunice Seaton's drama class and installation of officers. Mrs. J. G. Sirex will act as installing officer.

DC GRANTED LARGEST FLOOD RELIEF AWARD

The largest single grant made by the San Mateo county chapter of the Red Cross following the Christmas floods, $5200, was for extensive home repair in the Daly City area.

A citizens' committee met for the fifth and final time in San Mateo last Thursday and approved all disaster grants made by the Red Cross.

Seventy cases were surveyed, and grants totaling $27,508.46 were made. This included emergency aid during the first few days of the disaster, and rehabilitation in the form of home repair and furniture replacement.

Mrs. Barney Bristow, family service chairman for the chapter's disaster committee, announced an all day disaster practice session to be held at the chapter house April 25.

Daly City Truck Driver Finds Vehicle Too Large

Traffic had to be diverted for more than an hour in San Mateo last Thursday when a Daly City truck driver attempted to drive his 9' 6" truck under the 8' 9" Tilden street overpass, and the truck became lodged there.

Elmer Hedlund, 41, 488 Abbot avenue, a driver for Keller's freight of San Francisco, escaped injury, although the cab of his truck was flipped up against the underside of the overpass.

The truck body was lodged so firmly that it was necessary to cut it apart to remove it from the overpass.

Despondent Woman Tries Suicide After Daughter's Elopement

A 48-year-old woman attempted suicide Sunday because of her daughter's elopement, according to Daly City police. Treated at Junipero Serra hospital and later transferred to San Francisco hospital was Mrs. Margaret Merrick, 48, 837 Moltke street, San Francisco.

Officers were called Sunday afternoon to a local tavern by the proprietor who said that one of his customers had told him she had just taken poison. Earlier police had received a call from the San Francisco police department warning that a woman bent on suicide might be in Daly City.

Mrs. Merrick was said by police to have been upset by her daughter's elopement which took place the same day as the suicide try.

Elementary School District Students Attend UN Confab

A bus load of Jefferson elementary school district children are today (Friday) attending the fifth anual San Mateo county Junior UNESCO conference held in Redwood City. Each student who is attending the confab will report back to his room on activities of the conference.

Those attending from Colma school are as follows: Carolyn Waller, Laurel Klaisner, John Millward, Joan Nyburg, Bob Anderson, Toni Settera, Richard Reese, James Heick, Juanita Zuelsdorf, Ron Monti, Pat Cullen, Joan Eisemann, Dennis Smith, Denins Cardinale, David Hoag, Patti Young, Sharon Daniels, John Wilson, Donald Mason, Sandra Calavano, Bonnie Markus, Douglas Whaley and Lana Green.

Attending from other district schools are: Carol Sciarorni, Crocker; Linda Jensen, Jefferson; Lloyd Thompson, Westlake; Timothy Ramsey, General Pershing, and Donna Lesher, Colma K-6.

Accompanying the students will be Mrs. Louine Bostwick, Mrs. William Mayo and William Tergis.

GET ACQUAINTED

There's been a lot of changes in automobile in the past five years. Power has gone up in every make and such things as power brakes and powr steering are more common now. If you're getting a new car, suggests the California State Automobile Association, take time to get acquainted with it before you start driving in heavy traffic. Be sure you know the relative position of the throttle and bake pedal as well as the other controls.

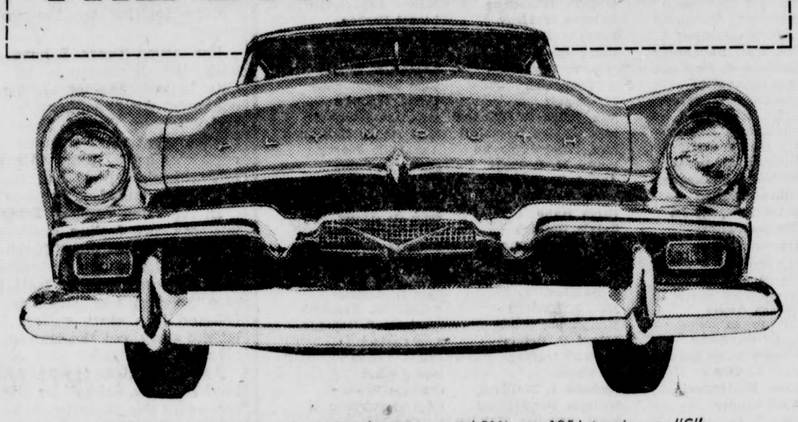
SALES GAINS PROVE...*

THE BIG BUY IN THE BAY AREA IS THE BIG PLYMOUTH



*In the low-price 3, Plymouth's 1955 sales gains surged 51% over 1954, topping car "C" by 24%, car "F" by 29%. Official registration figures, the five Bay Area counties.

GAINING BECAUSE OUR DEALS ARE BIGGEST!

Sales gains don't just happen. They're caused. And one of the big reasons is the deals Bay Counties Plymouth dealers are giving. Sky-high trades with no quibbling. Low down payments (chances are, your present car will cover it). Long, easy terms to fit easily into your budget. Big, complete stocks, fully serviced and ready to roll. Name your model—drive away as the happy owner within an hour. Come in today—and come ready to trade!

GAINING BECAUSE PLYMOUTH'S VALUE IS GREATEST!

Look at all 3—you'll choose Plymouth! Plymouth is the biggest, longest car of the low-price 3, with the roomiest interiors and the silken ride only a really big car can give. Two top engines in its field—the thrifty PowerFlow 125 or mighty up-to-200-hp Hy-Fire V-8.

Village Notes

By Gwin Mitchell

PL 5-0679

It's birthday season with a vengeance, particularly among the younger set. A very social luncheon took place at the Sweetwood home of Pip Mattison, a young gentleman just turned 4, with Kathy Milani, Janet Brugge, Jan Rizzo, Mark Tannehill, Nancy Mitchell, Bruce Watts and Drew Miceli as the guests who shared all the fun. Quite a few mamas stayed for coffee and conversation, too.

Young Bruce Watts, mentioned above, is quite a traveled young man. He and his mother, Vera, just got back home to Sweetwood after a three months' trip to Metz, France, which is Vera's home town. It's in the province of Lorraine, and is some 27 flying hours away. Vera, who had not been home for 9 years, had a wonderful time seeing her parents, her brother, and all her old friends, and of course tongues flew! The weather was bitter, though—that awful cold spell that Europe suffered under so severely.

Midway had a birthday, too—Gary Stettler was 6. With an occasion like that, of course a party was in order, and Eugene del Porto, Gregory Deal, Carol Files, Patty Alba, Terry Travinsky, Steve Parker, Tommy Long and brothers Ronnie and Kenny Stettler were duly welcomed and plied with ice cream, cake, favors and fun during a happy afternoon.

The stork made a special trip to the home of Lennart and Helen Green up on Larchmont to bring them their first baby, David Henrik, a special 8½ lb. reason for happiness. David had a few problems at first, and had to stay in the hospital a little longer than usual, but he's well on his way now, and will be a fine asset to the Larchmont crib society.

Nevada borrowed two Broadmoor families for a short while or two. Grant and Barbara Hill joined with Elaine and George McKeon for a middle of the week stay in Las Vegas. It was a gay whirl, according to Barbara, which included the Desert Inn, where they stayed, and all the shows in town. Chief of these was the Martin and Lewis production, typically uproarious. Bette and Till Ghiotti took the Bright Lights Tour to Reno. She came back raving about the whole thing, from the considerate slot machines which provided jackpots to the orchid she received at the airport. Both the Hills and the Ghiottis are now back on Sweetwood, busy being Villagers again.

This And That

This and That: The Richard Wallers have left Maddux for San Francisco. . . . Kenny Stettler is now minus his tonsils. . . . Ray Savage is wearing a most terrific tie—Easter finery, no doubt! . . . Seen lunching at the new Westlake Woolworth's were the young misses Susan Subke and Candy Dalzelle, who had been on a shopping tour. . . . A new sound is echoing through Our Town lately—the riveting going on at Benjamin Franklin school. Fascinating for the stay-at-home age, but a little hard on the students who have to concentrate. . . . Wanda Milani has a most fabulous pair of starfish (jewelry, not real!) earrings, while Pat Tannehill's long silver ones sound like Oriental bells. . . . Jenny Beckerman and Patricia Kramer, of Sweetwood and Larchmont respectively, both received honorable mentions in drawing corner entries in a daily SF paper. . . . Larchmont's Timothy Norman is now in basic training with the AAF in Denver. According to all the latest reports, he likes it fine.

Because the flu situation got out of hand for a while in the Baird home on Stewart, Mark had to wait and celebrate his 5th birthday in company with brother Richard, who was celebrating his 7th. Mario and Maria Rizzo, Steven Parker, Pat, Michael and Kathy Huth, Donny Mitchell and Maggie Brown were the guests invited to enjoy the birthday fun, and from all reports, everybody had a grand afternoon.

Isle of Enchantment

Maybe you've heard about the Isle of Enchantment by now, but if not, we think you should. That's the title of a festival being given by the Westminster Fellowship, the Presbyterian young people. They are planning something special, with a film, entertainment and refreshments all involved. The purpose of the project is to raise funds to help send young people to church camp who couldn't go otherwise. The festival date will be Saturday, April 28, and you can give your donation at the door or call Jane Streiff (PL 5-0829) ahead of time. Adults are 65 cents and students 40 cents.

Washington street's Charles Danforth has been seriously ill in the hospital, and friends and neighbors have been anxious about him. We hope that by the time they are reading this, he is well on the road to recovery. We would also like to join Norma Neill's many friends in offering sympathy on the recent death of her mother, who will be missed in the home on MacArthur.

Lee Subke is back on Washington street after a three months' tour with Arthur Fiedler and the Boston Pops Tour Orchestra. The group traveled all over the US—13,500 miles in all—and Lee is kind of glad to be settled again. At last reports, his flute is not the least bit tired, and is performing as well as ever!

Jan Beck planned a surprise party for her brother Bill, who was having a 9th birthday, but somehow the cat got out of the bag, what with all the excitement and two small brothers! Anyway, the Beck home on 88th Street still was full of happy birthday noises when Judy Hirshberg, Jack Mitchell, Jimmy Frost, Carl Fleischauer, Molly Johnson and Beverly Tonnissen joined forces and gifts to wish Bill a good day and share the birthday cake.

Club-Without-A-Name

There's another Club-Without-A-Name around town of which we just learned, though it has been going for quite a while. (Our typewriter going deaf or something?) This one is on Larchmont, and members are Doris Arr[illegible] who hostessed the latest gathering, Mary Morgan, Barbara Smith, Marie Duncan, Helen Green, Dolly Durand, Pearl South, Jackie Beck, Neva Tracy and Harriet Mistermann. Meetings are once a month, and gay occasions, too!

Laura Vallejo is a lucky girl. She was just given her second bridal shower in BV, with sister-in-law-to-be Elsie Schenone the hostess for the gathering. Elsie left Sweetwood temporarily and gave the shower at her mother's home on Edgeworth, where the bride's mother, Mrs. William Chessman, and the groom's mother, Mrs. John Olcese, Sr., joined her in welcoming the guests. Louise Lagomarsino, Mary Beraldo, Rose Bertucchi, Marta Martinelli, Mabel Martinelli, Marilyn Olcese, Louise Olcese and Rose Olcese were there to enjoy the occasion and to admire the gifts.

Carol Goodner down on Stewart made good use of her Easter vacation from school. She went over to Lafayette to visit Mrs. B. W. Anthony, and had a real country life for a few days. A creek to play in, pony back rides, and the usual Easter egg coloring session highlighted her trip. She came home just in time to help brother Chris celebrate his 6th birthday. It was a just-before-Easter party, with an egg hunt featured, and Jimmy Helmer, Jimmy and Mike Northrop, Steven Parker, Richard Orloff, Mario Rizzo and Johnny Skillman were the guests. Joan Bertkins came too, to keep Carol company in the girl department.

Midway's Kay Mattson is back from a two weeks' trip to Ponca City, Oklahoma, where she visited with her mother, who has been seriously ill. Son Roger went along too, and his grandmother was overjoyed to see him. Fortunately, her health improved while Kay was there, and all the missouri relatives came to say hello while Kay was within reach. There ought to be several sets of ears burning on Midway—Kay told us such nice things about the neighbors who all helped take care of her two girls while she was away.

Happy Birthday

Before we forget—happy birthday to ye ed, Monte Dayton, one of the busiest people around, and, as any of the many columnists, publicity chairmen, organizations and individuals will tell you, one nice person to know.

Big doings up at the Orlich home on Garden Lane! Item one was son Jimmy's 10th birthday, which he celebrated with a swimming party at Jeff Hi first, and a man-sized birthday lunch for his guests afterward. Bill Irvine, Jack Petranker, Gigi and David Vasilevich, Jane Miller, Douglas and Mary Etta Shanoian, Kenneth Bergstresser, and brothers Tommy and Jeffrey Orlich were the lucky ones in on all the fun. Item two was an Easter Day farewell dinner mother Dorothy gave for her niece, Jann Darlyn. Jann is one of the MGM Goldwyn Girls, and has been spending some time here in SF after a nation-wide tour with the othrs of the Girls plugging "Guys and Dolls." The farewell part is due to the fact that the group is now starting on a world wide tour of the same sort, with Australia the first port of call. Jann's friends here in her home town know her better, perhaps, as Mildred Mersich, Miss San Francisco of 1952.

Friends and relatives from SF, a group of young people from George Washington High, friends at Jeff Hi and here in BV all gathered at the Buell Emery home on Midway at a reception given by the Emerys for their daughter, Joyce, in honor of her marriage to James W. Gardner of San Francisco. Joyce's sister Barbara and friends, Chris Lawson, were there to help receive guests and generally lend a hand at the gay evening gathering, and neighbors Kay and Carl Mattson were among the guests.

Local Man Receives License Revocation

One local resident had his drivers license revoked recently by the California state department of motor vehicles, two others received suspensions and one man was put on probation.

Raymond Lee Diaz, 207 Trinity road, Brisbane, had his license revoked. Receiving suspensions of license were Richard Henry O'Toole, 224 Thiers street, Daly City, and Bart Arthur Shulda, 82 Market street, Daly City. Emery Charles Bublak, P. O. Box 142, Sharp Park, was put on probation.

Convicted of drunk driving with no suspension recommended by the court was John Joseph O'Halloran, 363 Willits street, Daly City. He was convicted March 5.

Coy Fine, 326 Miriam street, Daly City, had his license reinstated.

Permanent reinstatements were granted to John Hempy Devlin, 311 Nelson avenue, Sharp Park; Robert Elliott, 120 Lynnewood street, Daly City; Paul John Galliano, 238-A Los Banos avenue, Daly City; Lester Bell Scranton, 3 Wellington avenue, Daly City; and Earl Winters, Box 449, Sharp Park.

DALY CITY MAN WINS ACHIEVEMENT AWARD

E. C. Y Inn, 145 School street, and an employee at the U. S. Naval Radiological Defense Laboratory in San Francisco, is one of eight men who have shared equally in a Laboratory Superior Achievement Group Award of $300. The award recognized their development of thermal radiation instruments for a field test.

In making the presentation, the Commanding Officer, Capt. R. A. Hinners, said, "The Laboratory was given an expanded thermal radiation program which was to be executed in the field as part of Operation Teapot. Your group was faced with stringent deadlines for the accomplishment of specific required objectives. Because of the complexity of the entirely new types of measurements to be made under field conditions, instrumentation problems were extremely difficult to solve."

Capt. Hinners continued, "Working as a group, you developed the new types of instrumentation in a very short period of time. Considering the magnitude of the total job required, only a group possessed with a common 'can do' attitude could have succeeded. . ."

NAVY AWARD WON BY DALY CITY MAN

William H. Buser, 778 San Diego avenue, an employee at the U. S. Naval Radiological Defense Laboratory in San Francisco since November, 1949, was recently presented a Superior Accomplishment Award of $200 for outstanding work.

In making the presentation, the Commanding Officer, Capt. R. A. Hinners, USN, said, " . . . From October 1955 to January 1956 a heavy backlog of work in the Planning Branch of the Engineering Division required the services of an individual capable of doing the work of Shop Planner . . . You were assigned the responsibility of ordering all of the materials or services required by the Shops Branch.

"In spite of the fact that you were a complete stranger to the methods of the Planning Branch you proved yourself versatile, capable and industrious in meeting all demands placed on you. The excellent work you performed and your cooperative attitude was outstanding and reflects well on your devotion to duty. . . ."

Vandals Slit Tires On Abbot Avenue Auto

Two front tires and tubes on a car parked on Abbot avenue were slit by vandals Saturday morning. Owner of the auto, O. H. MacNeally, 173 Abbot avenue, said se parked his car in front of his home at 1:30 a.m. and found the damage at 10 a.m. later that same morning.

Loss was estimated by the victim to be $30.

Traffic Delayed As SF Man Walks Up Mission Street In South Lane

A 23-year-old San Francisco man was arrested on a drunk charge Saturday when he was found delaying traffic as he walked up Mission street in the southbound lane.

Officers escorted Abel R. Siltt, 1023 Rhode Island street, San Francisco, to the city jail where he was booked on a charge of being drunk on a public street.

Two For Tonight

By Leonore Brewer

In "Meet Me in Las Vegas," currently at Loew's Warfield, another Metro musical has hit the jackpot. Starring Dan Dailey as a heavy-gambling rancher who can't lose so long as he is holding the hand of Cyd Charisse, just acting naturally in the role of a ballerina, "Meet Me" is full of light romantic comedy, catchy tunes and plenty of dancing.

Of course, even in a light-hearted musical the course of true love mustn't run too smoothly, and one of the bumps in the road is provided by Cara Williams in the role of a popular entertainer whose rendition of "I Refuse to Rock 'n Roll" lights quite a gleam in Dailey's eye. Cyd Charisse is pretty burned up by this torrid number and in attempting to put out the fire is soon, to put it as politely as possible, feeling no pain. To prove that anything Miss Williams can do she can do better, Cyd launches into a terrific dance routine to the tune of "My Lucky Charm."

Further Complications

There are further complications when Paul Henreid, the ballerina's suave manager, comes on the scene the next morning in the midst of her very first hangover to warn her that such antics are not befitting her dignity as a ballerina, and when her "golden mitt" loses its charm when she and Dailey fall in love, and of course there's the old problem of combining two such disparate careers.

There are very small clouds on a brilliant Eastman Color blue horizon, and even love versus career, which has proved to be such a thundercloud in previous films, is neatly settled without sacrificing one at the expense of the other. The practical solution to this problem could result in an entire "Meet Me" series, with this talented team meeting in various romantic cities throughout the world—Paris, London, San Francisco, Monte Carlo! — with plot twists to suit the locale.

It's positively criminal that space forbids our going into detail on the ballet sequences in this dazzling musical. In what might be called a "Rehearsal Ballet," Miss Charisse does some of her finest dancing, and an abbreviated, brought-up-to-date "Sleeping Beauty" was followed by audience applause. There is a terrific "Frankie and Johnny" ballet in which she is joined by John Brascia and Liliane Montevecchi as Nelly Bly, with new lyrics narrated by Sammy Davis, Jr.

The return of Wilhelm Backhaus to San Francisco Friday, April 6, at the Opera House, will be the major event of the spring concert season. The great German pianist, playing for the second time on the Spencer Barefoot Celebrity Concerts series, returns to play his only Western recital of this year, and his last American recital until 1958.

He will play an all Beethoven program, including the popular Appassionata Sonata.

The rear-view mirror is one of many useful devices developed on the race track and passed on to the American motorist, according o the National Automobile Club.

Something For Everyone

News of Your Local Library

By Rosamond Plummer
Children's Librarian

Many recent books of special interest to teen-agers are available at the Daly City Library.

Among the recent novels is "Song of the Voyageur" by Beverly Butler. It is a good love story about a gently reared young lady who must choose between the hardships of pioneer life in Wisconsin of the 1830's and the gayer life of Philadelphia. In "Eleanor, the Queen" the skilled novelist Norah Lofts vividly recreates the tempestuous life of Eleanore, Duchess of Aquitaine and one of the most romantic and powerful women of the middle ages. A well written novel about Abe Lincoln's grandparents is "The Buffalo Trace." Virginia Eifert recounts how the first Abe Lincoln and the gentle Bathsheba and their young family put aside the luxury and safety of their plantation home to follow the ancient, dangerous trail made by the buffalo over the Cumberland Gap. "Rosemary" by the popular Mary Stolz is a story of "town and gown" adjustment. Rosemary represents the "town" element. A senior sociology student helps her and several other young people to a new understanding of themselves and each other.

For the jazz enthusiast there is the excellent "First Book of Jazz" by the poet Langston Hughes (he is also a jazz enthusiast). His Honor Roll of famous jazz musicians and his list of suggested records for a basic jazz collections make this book especially valuable. Mr. Hughes has also written "Famous Negro Music Makers" which covers such names as Marion Anderson of the Metropolitan opera, Louis Armstrong trumpeter par-excellence, Leadbelly the essence of folk song, Lena Horne and many others. There is an entire biography of Louis Armstrong, "Trumpeter's Tale" by Jeanette Eaton.

Sports and car enthusiasts will enjoy "Gentlemen, Start Your Engines." This is the late Wilbur Shaw's high-geared account of competitive racing and of automobiles in America. He recaptures the tensions, dangers, triumphs, and crushing disappointments of the track. Then there is Willie Mays' book "Born To Play Ball" told with something of the center fielder's own colloquial flavor; this is the Giant's new star as he sees himself.

The veteran naturalist explorer Roy Chapman Andrews has written a fine adventure tale for younger teen-agers called "Quest of the Snow Leopard." It is a tale of a collecting expedition in Southwest China near Tibet. "After You, Marco Polo" by Jean Shor tells of a trek over Marco Polo's eastward route to China. The book is informative and deceptively gay, considering the hardships and dangers the couple encountered.

Of interest to all teen-agers is "Your Dating Days" by Paul Landis. The book will answer many questions for both boys and girls on dating problems, going steady, marriage plans and military service and the like.

"Plain Talk for Men Under 21!" discusses manners, dress, etiquette, and what is expected in general of the young man in a light, breezy manner.

Young people will find these and many other titles on the Teen Age shelves at the Daly City Public Library, 6351 Mission street.

DC Rotarians Plan Attendance At 18th Annual Conference

Local Rotarians will hear George R. Means, secretary of Rotary International, speak at the annual district conference to be held at the Sheraton-Palace hotel April 13 and 14. Presidents and secretaries of the Rotary club from 50 Northern California cities will lead delegations of local members to the conference in San Francisco.

Attending the confab from the Daly City Rotary club will be President Julian Cohn, Secretary Robert E. Watson, Jr., Dennis J. Franco, Howard Stites, Dr. Thomas Lewis, Cyril Weiler, Herbert E. Sharpe, Jerome Scharfman and Dr. Edward W. Saslow.

Means will keynote the conference with a speech entitled "Rotary's Future Responsibilities."

Other featured speakers will be Bishop Noel Porter of Sacramento, Tom Crow of Visalia, Wally Myers of San Anselmo and Tom Kongsgaard of Napa.

Rotary International is a worldwide organization with over 423,000 members in 94 different countries. Founded in 1905 Rotary has had a long history devoted to service, international friendship and fellowship. Member clubs support a variety of worthwhile projects such as aid to crippled children, student loan funds, and International Student Exchange Fellowship.

DUAL EXHAUSTS

Ever wondered why sometimes only one tail pipe smokes on a car equipped with dual exhausts? The reason, says the California State Automobile Association, is that the exhaust control valve diverts the exhaust gases from one bank of cylinders across the intake manifold and out the other exhaust manifold while the engine is warming up. This heats the intake manifold and provides better carburetion. When the engine has warmed up, the valve opens and the exhaust gases pass out through both tail pipes.

New Toastmasters President Names April 12 Roster

New officers took over at the last regular meeting of Daly City Toastmasters held Thursday at San Pedro Lunch.

Stan Wilson presided at his first meeting as president, and named the following roster for the April 12 meeting:

Jack Kendree, toastmaster; Jim Vick, table topics; John Putkey, evaluator; Bill Larsen, timekeeper; Art Colvin, wizard; Dr. Louis Minkin, George Harrison, Monte Dayton, Louis Rief, Sanford Vickers, Paul Ward, speakers; Frank Blum, John Bodmer, alternate speakers.

The club meets every other Thursday at San Pedro Lunch, starting at 6:30 p.m., and persons interested in the club may attend as guests.

DEAN WEIBEL LEAVES FOR NAVAL OFFICER TRAINING SCHOOL

Dean John Weibel, son of Superintendent and Mrs. H. Z. Weibel, left Tuesday night for the U. S. Navy officers training school at Newport, Rhode Island.

Upon graduating from the school, Weibel will be awarded an ensign's rating. The young man attended Jefferson Union High school before graduating from the University of California where he gained his degree in business administration. Before entering the navy, he worked at the Emporium under the junior executive training program.

The Weibel family lives at 1712 Louvaine drive, Broadmoor.

IMPORTANT STEPS

The steps you take when you leave the curb are important ones. Be sure you look in both directions before you take them, says the California State Automobile Association. Don't rely blindly on the traffic signal—look both ways before you step into the street.
